If a product is believed to be defective, the original retail purchaser should contact the Whispbar dealer from whom it purchased the product, who will give the original retail purchaser instructions on how to proceed. Upon contacting Yakima directly, a Yakima technician will provide the original retail purchaser with appropriate instructions for returning the product to Yakima. The original retail purchaser will be responsible for the cost of mailing the product to Yakima. In order to receive any remedy under this warranty (either from a Whispbar dealer, or from Yakima directly), proof of purchase in the form of an original purchase invoice or receipt is strictly required.
