

RHINO-RACK

Aerodynamic & Heavy Duty Roof Rack Systems

SPECIFICATION SHEET

RSS145

VEHICLE BRAND	PEUGEOT
VEHICLE TYPE	307 5DR
YEAR MODEL	9/02 ON.
LOAD RATING	60KG

SPECIAL FITTING TIPS

The Peugeot has 4 set fixing points to which the crossbars mount to. Slide covers in direction of arrows to expose nutsert. Note that there are front and rear crossbars. Place pad over nutsert hole. Seat crossbars into pads in correct position and tighten all bolts. Do Not Over Tighten Bolts. See picture below.

SPECIFICATIONS:

Front Bar – 92.3cm

Rear Bar – 85.5cm
